

Holiday Party Food Recommendations

Our club parties are usually covered dish, and it usually works out well. This is a list of food items to consider for the holiday party, with the recommended quantities needed. We have put a quantity based on previous holiday attendance, but that may be subject to change.

This is a party put on by volunteers, so please bring items in either disposable dishes or plan to retrieve your serving dish/utensils before you leave the party.

We ask you to let us know what you wish to donate so that we can limit too much repetition, and as always, if you have a special recipe/dish - it's always welcome!
